| 2. | Could you confirm whether you require prices for the two building under construction, or are we to leave blank in the pricing schedule, and update once the work is complete? |
| | Response |
| | The Trust has confirmed the new buildings are to be left blank in the pricing schedule and it will be the responsibility of winning bidder to submit a price for the work - in line with the price submitted at point of tender once the building works are complete. The Trust will inform the winning bidder once construction is complete. |
