SECTION ONE – WHO ARE TPPL

The Procurement PARTNERSHIP

The Procurement Partnership Limited (TPPL) are a private limited company offering a range of procurement solutions and services to the Public Sector. Developed in partnership with authorities such as Procurement Services, our products and services maximise the efficiency of our member organisations, deliver value for money and meet public procurement regulations.

Through our collaborative approach, members are able to obtain fully supported procurement solutions, with the added value of product specific technical expertise to help you scope product and procurement specifications. By blending Public Sector values with Private Sector ethos we can maximise our members purchasing power, not just to save money but also to improve quality.

WHAT DOES THE FRAMEWORK COVER?

SECTION ONE – WHAT DOES THE FRAMEWORK COVER?

Commercial Services Kent Limited (CSKL) has established a vehicle rental framework covering daily rental for passenger cars & LCVs, welfare buses and coaches, MCVs, sweepers and heavy goods vehicles up to 44 tonnes. The contract is also scoped to cover long term and flexible rental for cars and LCVs in addition to car clubs and pool car schemes including travel management systems and packages.

The framework is split into 5 Lots:

Lot 1

Cars and light commercial vehicles rental (23 suppliers)

Hire of passenger cars and light commercial vehicles including vehicles operating on petrol, diesel, hybrid, electric, LPG (liquid petroleum gas), hydrogen and bio fuels. Includes on/off road 4x4 vehicles up to 3.5 tonnes, and the hire of vehicles with body conversions including, but not limited to, tippers, drop-side, luton, flat, curtain-side, recycling, aerial platform, jetter, cranes, street lighting and any other body type an authority may require, including all vehicle racking.

Lot 2

Minibuses, buses, and coaches with any number of seats rental (9 suppliers)

Hire of minibuses, buses and coaches with any number of seats including vehicles operating on petrol, diesel, hybrid, electric, LPG (liquid petroleum gas), hydrogen and biofuel. Accessible/non-accessible welfare buses will be van or coach-built. Coaches can be articulated, double or single decked or any other body type an authority may require.

Lot 3

Medium commercial vehicles rental up to 12.5t, sweepers up to 18.5t, heavy goods vehicles up to 44t (24 suppliers)

Hire of medium commercial vehicles (MCVs) from 3.5 tonnes to 12.5 tonnes, hire of sweepers, including pedestrian, sub-compact, compact, mid-size and truck-mounted (up to 18.5 tonnes). Hire of heavy goods vehicles up to 44 tonnes. Vehicles hired may operate on diesel, petrol, hybrid, electric, LPG, hydrogen, and bio fuels or any other alternative powered drivetrain.

Hire of medium commercial vehicles can include vehicles with body conversions including, but not limited to, tippers, drop-side, luton, flat, curtain-side, recycling, aerial platform, jetter, cranes, street lighting and any other body type an authority may require, including all vehicle racking.

Hire of heavy goods vehicles can include those with specialist and municipal bodies and conversions including, but not limited to, tippers, dropside, flat, beavertail, curtain-side, box, luton, refuse collection, bin lifts and recycling bodies, gritter, snowplough and auger spreaders, tanker, gully emptier, aerial platforms, hook loader and demountable body systems, jetter, cranes, mobile library and offices, vehicle and plant recovery, street lighting and highway maintenance bodies, generators, temporary lighting and any other body type an authority may require including associated trailers.

WHO CAN ACCESS THE FRAMEWORK?

SECTION ONE – WHAT DOES THE FRAMEWORK COVER?

Lot 4

Cars and light commercial vehicles long-term and flexible rental, long-term and flexible rental, 365 days to 4 years (or longer) (10 suppliers)

Hire of passenger cars and light commercial vehicles on a longer term and/or flexible duration. To include vehicles operating on petrol, diesel, hybrid, electric, LPG (liquid petroleum gas), hydrogen and bio fuels. Includes on/off road 4x4 vehicles up to 3.5 tonnes, and the hire of vehicles with body conversions including, but not limited to, tippers, drop-side, luton, flat, curtain-side, recycling, aerial platform, jetter, cranes, street lighting and any other body type an authority may require, including all vehicle racking.

Lot 5

Car clubs and pool car schemes, including travel management systems and packages (3 suppliers)

Access to, or creation of car club schemes as required by an authority. Types of schemes can include, but are not limited to, dedicated schemes, for which vehicles are dedicated only for use by the authority. Access to publicly available schemes for the authority. An authority could seek a blended or mixed scheme comprising a combination of dedicated and publicly accessible vehicles. Alternatively, an authority can engage with the supplier to use their software and systems to create a scheme using the authority's existing vehicles and infrastructure.

Vehicle types to be available under schemes include, but are not limited to, passenger cars and light commercial vehicles including those operating on petrol, diesel, hybrid, electric, LPG (liquid petroleum gas), hydrogen and bio fuels. Includes on/off road 4x4 vehicles up to 3.5 tonnes.

SECTION THREE – ABOUT US

Procurement Services is a trading function of the Commercial Services Group, a Professional Buying Organisation (PBO) and one of the largest trading organisations of its kind in Europe with a turnover in excess of £500 million. Tracing its roots back to 1902, as the supplies division of Kent County Council, the Commercial Services Group has grown organically to become one of the leading suppliers of products and services to the education and public sector, serving over 10,000 customers in 80+ countries. These include local government, education establishments, the care sector and the emergency services.

WHY YOU SHOULD CONSIDER PROCUREMENT SERVICES

Procurement Services have frameworks that supply to customers nationally. We strive to offer the best customer experience to ensure that all public sector establishments are protected from the complications and risks associated with procuring high value products and services. Below are just some of the reasons why you should consider Procurement Services as your procurement specialists.

KNOWLEDGE

With over 100 years of collective experience dealing with the public sector, every member of staff at Procurement Services can call upon the vast amount of knowledge and experience we have as a team to ensure we can assist you with even the most complicated of queries.

SUPPORT

Every member of the Procurement Services team is just a phone call away. We are here whenever you need us to help support you through the tender process, offer advice or act on your behalf when liaising with suppliers.

CHOICE

We work with some of the top suppliers and manufacturers in the industry. Every framework has been thoroughly created to ensure that you, the customer, get the best terms and conditions from the best suppliers offering the best products and services on the market.

COMPLIANCE

All of our frameworks are national, fully compliant and adhere to the latest Public Contracts Regulations (2015). As well as being able to offer you full PCR 2015 compliance and strong buying power, we provide terms and conditions that are designed specifically for the public sector to protect you. There is no necessity to run a full tender as we have already done the hard work for you.

EASY TO USE

Our ready-made frameworks are convenient and simple for all customers to access. We help make the end-to-end procurement process as easy as possible to ensure everyone gets their desired outcome.

SECTION FOUR – HOW TO USE THE FRAMEWORK

You will need to create a new account with both the supplier and with TPPL, if you do not already have these in place.
